For Scandinavian Fest '24 to continue next (and future) years... the event needs help planning the event.

Some of the planning committee will be retiring and and we need replacements if ScanFest is to continue.

So, for the Fest to carry on, we seek a few good people to assist on the planning committee. The committee meets only 4 times through the year to coordinate and discuss.

If you'll help ScanFest continue ... will **YOU** assist with any of these activities?
